

NETBALL VICTORIA INCLUSION POLICY

INTRODUCTION

Netball Victoria is committed to being an inclusive organisation, where everyone has the opportunity to participate at a level appropriate to their ability. Participation in netball has the power to unite communities, empower individuals and breakdown barriers. All individuals will be treated equally, with dignity and respect to ensure that all people experience a safe and inclusive netball environment.

PURPOSE

The Netball Victoria inclusion policy aims to set a standard of equality and diversity within Netball Victoria and its affiliates. It aims to promote principals of equality and ensure respect and diversity is intrinsic to netball culture.

SCOPE

This policy applies to Netball Victoria's board of directors, the executive management team, all staff members, the Melbourne Vixens athletes and support staff. This policy will also provide a clear policy framework for Netball Victoria's affiliated associations.

OBJECTIVE
