

Square

What is Square?

Square is a small compact and portable credit and debit card reader, that also has a free point of sale system. It is compatible with a smart phone or tablet device.

Hardware Cost

1. Square Reader - \$59 from Officeworks
2. Square Dock Charger - \$39 from Officeworks
3. Apple iPad 32GB Wi-Fi [6th Gen] - \$459 from Big W
4. Bundle Option: Square POS Stand with Square Reader & Dock - \$299 from Officeworks
5. Square Terminal \$439 – from Officeworks (Works the same as the Square Reader but has the ability to print receipts. Square reader can only text and email receipts)

**Note Prices may change pending on retailer*

Usage Costs

- 1.9% transaction fee on all card types
- No monthly fees

About the Point of Sale System

Set up products for staff to easily select and make sale (Court Fees, Bar, Merchandise, Entry Tickets)

Send receipts via email, text message or print them (note external printer required for this, or alternatively Square Terminal could be an option)

Integrates with Xero

Send Invoices online

See deposits into your bank account as soon as the next business day
