## Intermediate Coaching Accreditation has several pre-requisites these are;

1. Registered Full Financial Member of Netball Victoria (Senior or Junior only).
2. Completion of Development Coach Accreditation

Please be advised that coaches participating in the course MUST bring two players with them to the practical assessment component of the course only. Players must be available at the venue warmed up ready to go at 1.30pm – 4.00pm and be a minimum of 15 years of age. Failure to provide two players for the practical assessment will disqualify the coach from being able to undertake the practical assessment component of the course and therefore be ineligible to be awarded the accreditation.
