

2021 Netball Victoria Origin Association Championships

Northern Association Championships

Welcome to the 2021 Origin Association Championships. After no competition in 2020, we are excited to welcome you back. This information should assist you in preparation for the day and we ask that all relevant information is shared to your coaches, team managers and players.

Host Association: Golden City Netball Association

Venue Address: 91 Inglis Street, West Bendigo

Parking: Ample parking is available in the parking lot at the front of the venue. If you are traveling via bus, there is plenty of parking to the left of the stadium. This is an unsurfaced area to be used by buses only.

Team Check In:

All teams are required to check in at the Competition Office no later than 8.30am. Please nominate one person from your association/league to check in your teams, to avoid duplication and congestion at the Team Check-in area.

Netball Victoria is currently working to increase the number of players who identify as Indigenous in our pathway. At this time, we also request you identify any Indigenous athletes participating in your teams. This information will assist Netball Victoria's Indigenous Pathway Working Group to capture the number of Indigenous athletes participating in Association Championships qualifying days and monitor their progress through the pathway.

Team Changes:

Any approved team changes must be updated with Netball Victoria upon check in. This will ensure Talent Identification scouts have accurate team lists available.

QR Code Check In:

All attendees (players, coaches, team managers, umpires and spectators) must check in via the Service Victoria QR Code. A copy is below and also attached. We encourage you to share this to allow for an early check in.

Golden City Netball Association
91 Inglis St WEST BENDIGO
Golden City Netball Association, GCNA Courts

Location code BZC GJG

2021 Netball Victoria Origin Association Championships

Spectators:

As per the current government guidelines (as at 21 June), outdoor venue capacities are limited to 1000 people. To ensure our competition complies, we ask that a maximum of one parent/guardian attends per player.

If restrictions ease, we would still like to ensure all spectators are able to socially distance, so ask that limited spectators attend. All personnel must carry a mask at all times and wear when unable to socially distance.

COVID Protocols

Please see attached for the COVID protocols, in conjunction with the COVID Safe Plan, which will be implemented during this tournament. It is important you comply with all of these points and share with the applicable personnel.

Anyone experiencing symptoms must not attend.

GEARLOCK

Netball Victoria will apply GEARLOCK™, a 12HR equipment and surface protectant, to all match balls and goal post padding. GEARLOCK™ disinfects surfaces and then dries to form a long-lasting protective barrier that provides up to 12hrs of continuous defense against bacteria.

Fixtures

Fixtures will be available by Thursday, 24 June online via MyNetball. This may be altered on the day of competition due to unforeseen circumstances.

It is recommended you encourage all officials and parents to download the MyNetball app.

Two (2) minutes has been allocated between each match. Please ensure you arrive at your court in time for your match and leave immediately after your match. Social distancing must be maintained at all times and if it is not possible, spectators may be asked to move.

Court Layout

Please refer to the map attached to your email for the court layout.

Each division has been allocated a group of courts for the tournament. This has been done in an effort to reduce mingling within the venue. We encourage teams to stay within their allocated area, including their association/league team area.

Matches will not be played on court 10, which will allow warm up space for teams. No marquees are permitted on this court. No chairs are to be put on the courts or asphalt either.

Centre Pass

In Preliminary/pool matches, the first named team will take the centre pass; the other team may choose the goal end.

The centre pass in Finals will be determined by the toss of a coin.

2021 Netball Victoria Origin Association Championships

Scoring

Each team must provide a scorer per match. The scorers from each team must stand together (socially distanced or with a mask on) and use the official scoresheet supplied.

No player names are required on the scoresheet. Goals must be recorded and tallied for both teams. No signatures are required.

The winning team must bring the scoresheet to the competition office at the conclusion of the match.

Ladders

No ladders will be printed during the tournament and will be available via MyNetball.

Jewellery

Taping of jewellery and/or nails is not permitted. All jewellery must be removed, and nails short and smooth. Medical bracelets and piercings are exempt and a medical certificate is required.

Umpires

Please ensure your umpire arrives at 8:30am to check in. Payment of the umpire is the responsibility of the Association/League.

There is a \$250 fine for not supplying an umpire on the day of competition.

Talent Identification

Each year Netball Victoria appoints a number of Talent Identification Scouts throughout the various netball regions. These scouts communicate with local netball associations and leagues to identify talented athletes at the Association Championships Qualifying Days. Athletes are identified with the potential to participate in Netball Victoria's High-Performance Pathway Programs, including Talent Academy, State 17 & Under and 19 & Under programs.

Netball Victoria will have Talent Identification Scouts during the tournament viewing the 15&Under and 17&Under matches, in both the Championships and Reserve divisions. Players in these age groups should have a number on their leg which corresponds with the team list submitted. Players who have been identified will receive notification late August 2021.

Bendigo Academy of Sport and Sunraysia Academy of Sport will have Talent Identification Scouts viewing the 13&Under matches. Players in this age groups should have a number on their leg which corresponds with the team list submitted.

Finals

Finals will be played in all divisions between the top 4 teams.

Semi Finals – 1 v 4 and 2 v 3

Grand Final – Winner of 1 v 4 vs Winner of 2 v 3

A presentation will be made following all grand finals. Players should stay in their uniform or association/league tracksuit including shoes.

A maximum of 12 medals will be awarded for winners and runners up teams.

2021 Netball Victoria Origin Association Championships

Finals Day Qualification

The top two teams in all Championship grades will qualify for Finals Day.

The Finals Day will be held on Sunday 1 August at the State Netball Centre, Parkville.

Merchandise – The Regatta Shop

Due to the date changes, The Regatta Shop are unable to be on site selling our Association Championships Merchandise Range in the Northern Zone. If you have made a pre order online, your item/s have been sent to you at your nominated address.
