

2021 Netball Victoria Origin Association Championships

Central West Association Championships

Welcome to the 2021 Origin Association Championships. After no competition in 2020, we are excited to (finally) welcome you back. This information should assist you in preparation for the day and we ask that all relevant information is shared to your coaches, team managers and players.

Host Association: Hoppers Crossing Netball Association

Venue Address: Heaths Road, Hopping Crossing

Parking: Ample parking is available via Mossfiel Drive.

A drop off zone have been allocated near the football club pavilion. Please use this designated zone for player safety.

Venue Capacity Limits

The maximum venue capacity is 300 people.

In order to stay within the venue capacity limit of 300, a maximum of 19 people are permitted per team. The composition of the 19 is at the discretion of the competing association/league. An example is as follows based on the information supplied with team entries:

Players	12
Coaches	1
Team Manager	1
Scorer	1
Parents/Guardians	4

Whilst no spectators are permitted, parents/guardians are permitted to attend to support the participation of a child. However, parents/guardians are included within the venue capacity. Therefore, if your team requires a parent for support (ie. medical condition) it is recommended they are allocated as one of the 19. If you have additional places available due to lower player numbers, you may allocate access to parent/guardians.

Wristbands (different AM & PM) will be allocated to all adult attendees (coaches, team managers, scorers and parents/guardians) to monitor attendance numbers. Anyone without a wristband, or the wrong wristband, will be asked to leave the venue. The distribution of the wristbands will be managed by the association/league on the day. The wristbands will be supplied upon team entry.

Please note any dependents required to attend will be included within your 19.

Spectators

Due to current Victorian Government guidelines, no spectators are permitted within the venue. We ask that you communicate this to all parents/guardians, aunties, uncles, grandparents and partners.

Please note this also includes additional association/league personnel who are unable to be counted within the 19 people per team.

2021 Netball Victoria Origin Association Championships

We ask that parents/guardians don't set up 'outside' of the venue to view the courts. This may compromise our venue numbers and result in either fines or the event being suspended.
