

COMPETITION REGISTRATION PROCESS

Netball Connect

Outlined below are the processes for competition registration setup in Netball Connect.

The Competition Organiser begins the process by creating the competition in Step 1. Clubs can then follow the steps outlined to ensure all processes have been completed for each competition the club is participating in.

STEP	ACTIONED BY	ACTION ITEMS	MODULE	RESOURCE
1	Competition Organiser <small>(Usually, an Association or League will setup the competition)</small>	Setup structure of competition Advise clubs competition open	Registration Module > New Competition Registration	Association Manual Pages 14-20
2	Club	Add club fees and discounts <small>(as required)</small> Create Registration form	Registration Module > Participating-in Competition	Club Manual Pages 13-17
3	Club	Communicate registration link with players to register	Registration Module > Competition > Registration Form	Club Manual Page 17
4	Club	Create teams Allocate players to teams	Competition Module > Competition > Player Grading	Player Grading
5	Club	Propose grades Submit teams to the competition	Competition Module > Competition > Team Grading	Team Grading
6	Competition Organiser	Finalise grades Generate draws, publish to Match Day	Competition Module > Own Competition	Association Manual Pages 24 -35

MATCH DAY PROCESSES

Netball Connect

The competition organiser will publish the draw meaning all games, teams and registered players will appear in Match Day and push through to the Netball Connect app. The steps below outline processes for a seamless game day.
