TID Opportunity

Each year Netball Victoria appoints a number of Talent Scouts throughout the various netball regions. These scouts communicate with local netball associations and leagues to identify talented athletes at State Titles. Athletes are identified with the potential to participate in Netball Victoria's High-Performance Pathway Programs, including Talent Academy, State 17&U and 19&U programs.

Netball Victoria Talent Scouts view all athletes in the 15&U and 17&U age groups, and eligible 19&U athletes in the Open division. Following State Titles, Talent Scouts provide the names of identified athletes for invitation to Zone Academy and State Team screening days leading toward possible inclusion in Talent Academy Programs and/or State Teams in the following year.

Marie Little OAM Shield

The Marie Little OAM Shield is an annual tournament that provides women with an intellectual disability the chance to compete at a national level. Named after disability netball pioneer, Marie Little OAM, the competition sees teams from each state compete.

Talent Identification for the Marie Little OAM Shield will occur throughout the All Abilities division competition.
