

Administrators can update their Stripe details (i.e, the email address that is used for correspondence from Stripe) through Netball Connect.

1. While logged in at your organisation level in Netball Connect, select the Finance Dashboard -> select **Payment Gateway** -> select **Stripe Payments Dashboard**.

2. Once logged into Stripe, go to **Account** in the top right corner.

3. Scroll to the bottom of the page, and under **Payout and professional details**, select **World Sport Action settings**.

Payout and professional details

View and edit information that Stripe needs to help you get paid

4. A pop up will then display all the information that can be updated. Select the pencil icon (✎) next to any sections you would like to update. Once you have entered the details you would like to update and saved, select 'Done' at the bottom of the pop-up.

Your details will now be updated and linked back to Netball Connect.
