

SELECTING TEAMS

Competitions > Participating-In Competitions > Player Grading

Filter by year, competition and division.

All registered players will appear in the unassigned column.

Click and drag the player's name into the correct team or grade.

Click the small drop-down arrow on the right-hand side of the team name to display all players selected in that grade.

To remove a player from the team, click and drag the player back into the unassigned column.

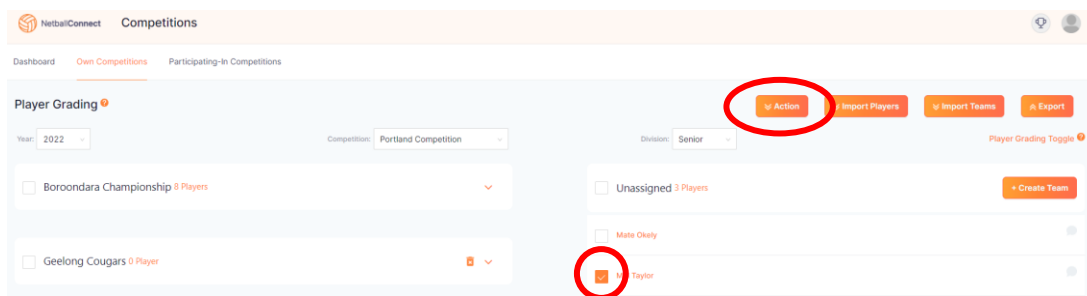

When all selections have been made, scroll to the bottom of the page and click **save**.

Depending on the League requirements, clubs may need to complete this step by a predetermined time each week. All players selected in each grade will automatically appear on the scoresheet.

Action > Change Division

If a player has registered into the incorrect division the club administrator can move that player by using *change division*.

Tick the player's name. Click Actions and select change division.

Select the correct division for that player.
