Strathmore Heights Netball Club

Head Coach

Position:	Head Coach
Reporting to:	President, Strathmore Heights Netball Club
Qualifications required:	Development
Location:	Strathmore Heights Zone
Remuneration:	Dependant on experience

The Strathmore Heights Netball Club is looking to appoint a Head Coach for their netball club.

Responsibilities

The Head Coach role will consist of coach mentoring, development of training and game day strategies and player management and engagement.

Key responsibilities are outlined below:

Coach Mentoring

- Mentor the coaches, during training and game day, to help with their development.
- The club is committed to coach development and will fund our coaches development through the Netball Victoria coaching pathway. As mentor, allow them to put into practice the skills learned through the various coaching courses.

Develop and implement training strategies

- Working with the coaches, develop appropriate training strategies and drills, in line with the team/players needs and abilities.
- Provide the necessary resources/guidance/feedback to the coaches to ensure they understand and can implement the recommended strategies and drills on match day.
- Provide real time feedback to the coaches during training so they can further develop their skills.
- Foster an environment where the coaches' own strategies can be refined and developed to meet the needs to the team/players.
- Training overview:
 - One training session per week, approximately 1 hour duration for each team.
 - We anticipate approximately 70 players will attend training each week across different age groups.
 - Training is currently scheduled for (Set/Go, U11s to U17s) Thursdays 4.00-6.00pm. Net is currently be run on a Tuesday 4.00-4.45pm.

Game Day Mentoring

- Watch and analyse the games, providing real time feedback directly to the coaches on relevant team strategies and player feedback.

-
- Use the learnings from match day to formulate training strategies
 - Game overview:
 - Games are played through the Parkville Netball Association competition.
 - Engage with all players, regardless of ability, to ensure everyone feels included and has the opportunity to develop

Also to assist with player grading and pre-season training.

Responsibilities

We are looking for someone who is knowledgeable with netball strategies and drills and who can confidently engage and mentor our coaches and players, regardless of age and ability.

A key responsibility would also to be sourcing more coaches as the club expands to ensure that each team has a dedicated coach to help with player development.

A coaching qualification and adequate coaching experience is preferred. Previous experience will be highly regarded.

General Information

We are newly formed club, and we are excited to get the right person on board to help continue to shape our netball club.

We currently have 8 registered teams, and we are continuing to grow.

We are a community-based club which prides itself on creating a positive and encouraging environment which is welcoming to all ages and abilities.
