

Lodging a ticket is a direct line of contact with Netball Victoria's Affiliate Services team. The team aims for a first response time of 48 hours. Most tickets lodged will be actioned by the AS team however some will require action by Netball Connect staff and developers, these will be escalated directly in the ticket system. Keeping all tickets in the same system is the best method to receive fast and accurate responses to your Netball Connect queries.

Only Association, League and Club administrators can lodge tickets. The ticket bubble is available on the bottom right-hand side of each page.

Please fill out the form below and we will get back to you as soon as possible.
