Dromana Football Netball Club is a community-based club on the Mornington Peninsula.

The Dromana Football Netball Club is a successful member of the Mornington Peninsula Nepean Football League. Formed in 1896 the Club has been playing football almost continuously since. In 2009 we introduced netball, which has proven to be a great addition. Over the years the Club has had moderate success, with the last decade producing some incredible results.

Whilst our achievements on the field are well known, we feel that the greatest benefit provided by the club is our community commitment to fostering and developing sport and a positive culture in our young sports people. We are a family-oriented senior sports club that fields A, B, C, D and under 17 netball teams.

Our vision is to be a destination club, where the very best of people aspire to join in our pursuit of excellence, unity and success.

Our purpose is to deliver year on year sustainable growth and success both on and off the sporting arena.

We are looking for an enthusiastic, passionate and supportive Head Coach to oversee the next stage of growth and development of our senior netball squad, while coaching our A and B sides in the 2023 season.
