Welcome

Congratulations on enrolling into the B Badge Umpiring Accreditation, the second step Netball Australia in the National Umpiring Development Framework.

To be successful in achieving your 'B' badge, you must demonstrate sound game management to maintain control and player safety; umpiring techniques which enable recognition of infringements behind and ahead of play, and the beginnings of application of the advantage rule; more consistent recognition and finer understanding of minor and major infringements; and some ability to distinguish between fair contest and contact that interferes with play.

To successfully pass the B Badge Practical Assessment, you must be rated as competent on all aspects of the assessable performance criteria.

Accreditation Outcomes

On obtaining of this accreditation, you will be able to:

- Have sound game management and implementation of procedures
- Some understanding of when measures need to be taken to keep game safe (for example, overt unsportsmanlike conduct or dangerous play)
- Can position and have vision that is not restricted to the immediate area where the ball is or the bulk of players are, to take into account what is happening behind and ahead of play.
- Be more consistent recognition of minor infringements and more refined understanding
- Obstruction: beginning to understand implications of rule beyond simple 0.9m defence; beginning to recognise use of arms to limit movement of player without ball; obvious defending out of court.
- Contact: beginning to go beyond obvious examples of interference to distinguishing fair contest from contact (understanding body movements, including recognizing when a player or players cause an opponent to interfere).
- Advantage: vision skills allow some recognition of interference to distinguishing fair contest from contact (understanding body movements, including recognizing when a player or players cause an opponent to interfere).

Netball Australia Accreditations expire 4 years from the date obtained and to maintain the accreditation you must complete the reaccreditation pathway and achieve 40 development points prior to the accreditation expiry date. Netball Australia allows a 6-month grace period to obtain these points should your accreditation expire.

Description
To successfully pass the B Badge Practical Assessment, umpires must be rated as competent on all aspects of the assessable performance criteria. Testers only need to write a comment if the umpire has not achieved competency for a particular performance criteria. If the ASSESSMENT DECISION is COMPETENT, additional comments may be made in the General Comments section. If the ASSESSMENT DECISION is NOT YET COMPETENT the Testers need to outline the ACTION PLAN discussed with the umpire. The action plan statement should identify further training, development or assessment needs to assist the umpire to reach the competency standard. Completed assessment forms are to be sent to the respective Member Organisation, with a copy sent to the umpire.

What you'll need to demonstrate
Candidates for the 'B' badge should demonstrate:

- Sound game management to maintain control and player safety
- Umpiring techniques which enable recognition of infringements behind and ahead of play, and the beginnings of application of the advantage rule
- More consistent recognition and finer understanding of minor and major infringements
- Some ability to distinguish between fair contest and contact that interferes with play.
