

Enrolment Instructions for Advanced Coaching Accreditation via Netball Learning

Overview

Netball Learning is Netball's Learning Management System. It records learning that has been undertaken by netball participants. Netball Learning is different to Netball Connect. Good luck with your learning and if you have any difficulties, please contact pathways@netballvic.com.au

How do I enrol in the accreditation?

You can access and enrol in the course through [Netball Learning](#) website and the following steps:

1. Log in to Netball Learning.

Your first time here?

Since its launch in December 2021, **Netball Learning** has been the home of all education, training, and mentor opportunities for the Australian Netball community.

I registered for a learning course prior to December 2021: Welcome back! If it is your first time using this new Netball Learning system, please click on the [Forgot username or password link](#). After you login, all your existing learning records will be there waiting for you.

If your email address is not recognised or you are not receiving the activation link in your inbox, **please click here to visit our support guide**. It is important you **do not create a new account** as your existing achievements will not display on your learning record. Instead, if you are still experiencing issues then **please submit the 'Retrieve MyNetball Learning profile' form** and our Netball Learning support team will get them resolved for you as soon as possible.

It's my first time learning with Netball Australia: Welcome aboard! Click on the 'Create New Account' button below, have a read and agree to the [Terms and Conditions](#), and begin your very own Netball Learning journey.

Need Help? You might find an answer in our [FAQs](#), or you can contact [Netball Learning Support](#).

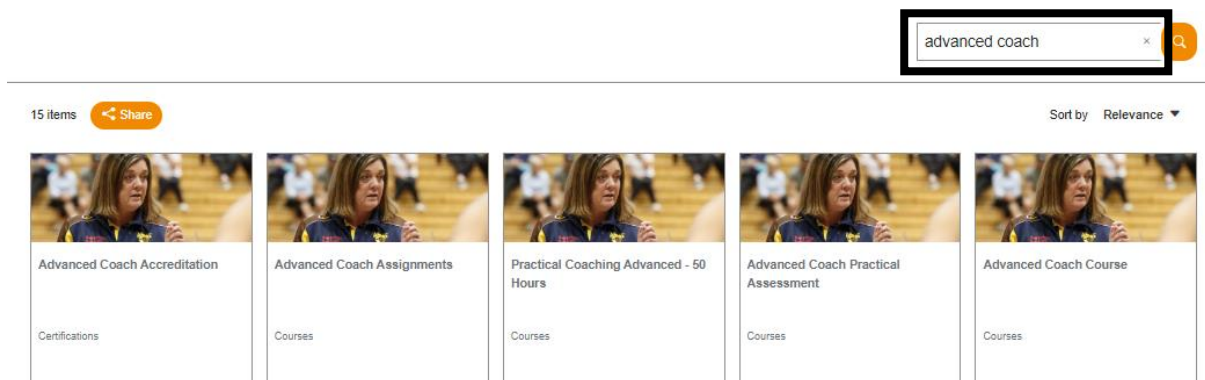

2. Once logged in, click on 'Record of learning'

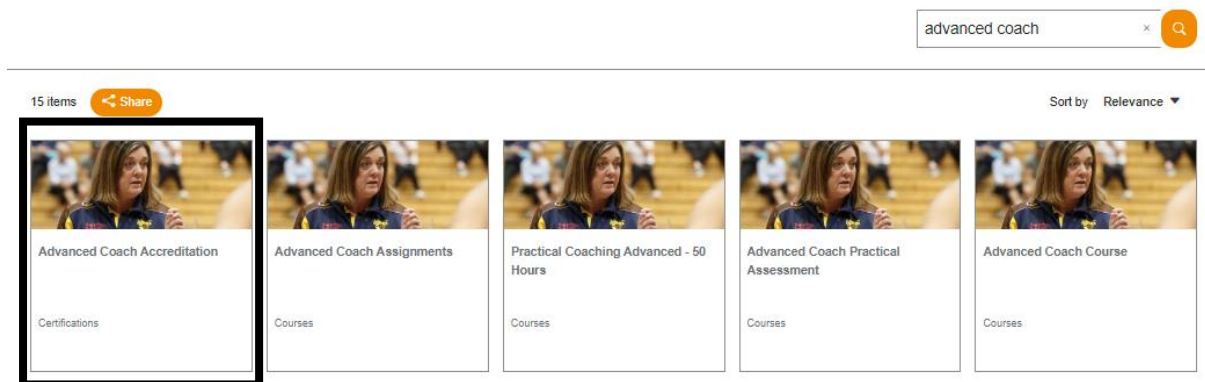

Dashboard / Netball Australia

About the Advance Coach Accreditation

This course is aimed at coaches of Representative, Talent Identification and State League level. This course extends you around skill progression in preparation your practical component of Advanced course.

The Course is the fourth step in the national coaching accreditation framework and is designed to assist you in preparing and coaching individuals and the team throughout a season using a holistic approach.

You will be required to complete session plans assessed as competent by your mentor, using the seven-step progression

What you'll learn

On completion of the courses you will be able to:

- Teach and develop the advanced skills of Netball
- Analyse athlete performance and provide appropriate technical corrections
- Apply the advanced tactics and strategies of Netball in a competitive situation
- Apply the rules of Netball in skill sessions and game strategy planning
- Analyse match play styles and systems
- Plan and prepare training sessions that complement the yearly plan
- Assess and monitor the development and wellbeing of the athlete
- Adapt coaching practices, program and activities to cater for the individual needs of all players, including players from specific populations

You will also need to:

1. Attend a three workshops where there is a practical assessment.
2. Complete 3 assignments: Game-Analysis, Cross-Sport placement and two coaching session videos.
3. Develop session plan.
4. Present a practical Coaching task.

Netball Australia Accreditations expire 4 years from the date obtained and to maintain the accreditation you must complete the reaccreditation pathway and achieve 80 development points prior to the accreditation expiry date.
