Your first time here?

Since its launch in December 2021, **Netball Learning** has been the home of all education, training, and mentor opportunities for the Australian Netball community.

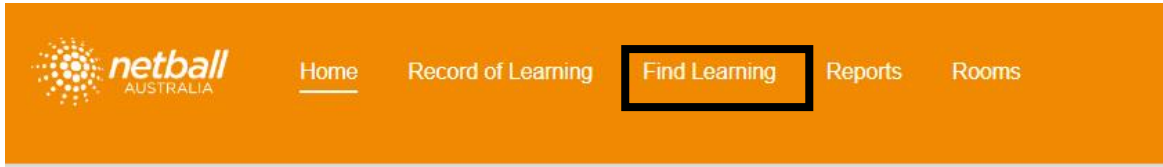

I registered for a learning course prior to December 2021: Welcome back! If it is your first time using this new Netball Learning system, please click on the [Forgot username or password link](#). After you login, all your existing learning records will be there waiting for you.

If your email address is not recognised or you are not receiving the activation link in your inbox, **please click here to visit our support guide**. It is important you **do not create a new account** as your existing achievements will not display on your learning record. Instead, if you are still experiencing issues then **please submit the 'Retrieve MyNetball Learning profile' form** and our Netball Learning support team will get them resolved for you as soon as possible.

It's my first time learning with Netball Australia: Welcome aboard! Click on the 'Create New Account' button below, have a read and agree to the [Terms and Conditions](#), and begin your very own Netball Learning journey.

Need Help? You might find an answer in our [FAQs](#), or you can contact [Netball Learning Support](#).

Welcome

The Elite Coach Accreditation is aimed at coaches who are coaching at the highest level of State League, the Australian Netball Championships (ANC) and Suncorp Super Netball (SSN). This course is the fifth step in the Netball Australia National Coaching Accreditation Framework and is designed for coaches who are aspiring to be potential High-Performance Coaches.

What you'll learn

On completion of the courses you will be able to:

- Instruct and implement the principles, functions and strategies associated with each playing position within the team strategy at an elite level
- Identify and implement the elite tactics and strategies of Netball in a competitive situation
- Analyse and apply match play styles and systems and introduce advanced tactical responses
- Interpret the rules of Netball in skill sessions and game strategy planning
- Plan, prepare and evaluate an integrated yearly plan for an elite team
- Apply working knowledge of scientific theory and principles of training and its application to Netball at an elite level
- Self-reflect on coaching behaviours and develop an action plan incorporating the optional units
- Design and implement an individual skill session for elite netball players

It is made up of three components:

- Elite Coach Coaching Course
- Elite Coaching Accreditation Assignments
- Elite Coaching Practical Assessment

Netball Australia Accreditations expire 4 years from the date obtained and to maintain the accreditation you must complete the reaccreditation pathway and achieve 100 development points prior to the accreditation expiry date. Netball Australia allows a 6-month grace period to obtain these points should your accreditation expire
