Your first time here?

Since its launch in December 2021, **Netball Learning** has been the home of all education, training, and mentor opportunities for the Australian Netball community.

I registered for a learning course prior to December 2021: Welcome back! If it is your first time using this new Netball Learning system, please click on the **Forgot username or password link**. After you login, all your existing learning records will be there waiting for you.

If your email address is not recognised or you are not receiving the activation link in your inbox, please [click here to visit our support guide](#). It is important you **do not create a new account** as your existing achievements will not display on your learning record. Instead, if you are still experiencing issues then please [submit the 'Retrieve MyNetball Learning profile' form](#) and our Netball Learning support team will get them resolved for you as soon as possible.

It's my first time learning with Netball Australia: Welcome aboard! Click on the 'Create New Account' button below, have a read and agree to the [Terms and Conditions](#), and begin your very own Netball Learning journey.

Need Help? You might find an answer in our [FAQs](#), or you can contact [Netball Learning Support](#).

- Scroll down to *My Accreditations* and click on **C Badge Umpire Accreditation** or **B Badge Umpire Accreditation**.

Welcome

Congratulations on enrolling into the B Badge Umpiring Accreditation, the second step Netball Australia in the National Umpiring Development Framework.

To be successful in achieving your 'B' badge, you must demonstrate sound game management to maintain control and player safety; umpiring techniques which enable recognition of infringements behind and ahead of play, and the beginnings of application of the advantage rule; more consistent recognition and finer understanding of minor and major infringements; and some ability to distinguish between fair contest and contact that interferes with play.

To successfully pass the B Badge Practical Assessment, you must be rated as competent on all aspects of the assessable performance criteria.

Accreditation Outcomes

On obtaining of this accreditation, you will be able to:

- Have sound game management and implementation of procedures.
- Some understanding of when measures need to be taken to keep game safe (for example, overt unsportsmanlike conduct or dangerous play).
- Can position and have vision that is not restricted to the immediate area where the ball is or the bulk of players are, to take into account what is happening behind and ahead of play.
- Be more consistent recognition of minor infringements and more refined understanding
- Obstruction: beginning to understand implications of rule beyond simple 0.9m defence; beginning to recognise use of arms to limit movement of player without ball; obvious defending out of court.
- Contact: beginning to go beyond obvious examples of interference to distinguishing fair contest from contact (understanding body movements, including recognizing when a player or players cause an opponent to interfere).
- Advantage: vision skills allow some recognition of context of play and some assessment of what is of advantage to the non-offending team.

Netball Australia Accreditations expire **4 years** from the date obtained and to maintain the accreditation you must complete the reaccreditation pathway and achieve **40 development points** prior to the accreditation expiry date. Netball Australia allows a 6-month grace period to obtain these points should your accreditation expire.
