

## Working With Children Fact Sheet

It is Important to understand the Working with Children Check (WWCC) is just one part of creating and maintaining a child safe environment. The Working with Children Check is a screening process for assessing or re-assessing people who work with or care for children in Victoria. It takes a detailed look at the criminal history and relevant professional conduct findings of applicants to assist in protecting children from sexual or physical harm.

The <u>Netball Australia Child Safeguarding Policy</u> also contains requirements regarding the WWCC for all affiliates.

Victorian affiliates must know:

- That the regulation applies to every adult (18 years and older) who hold a position of responsibility or authority with children.
- That positions of responsibility or authority cover a wide range of positions including directors, committee members, coaches, umpires, officials, team managers and other senior positions.
- That positions can be paid or unpaid, accredited or not accredited.
- Affiliates must keep a register of all members or persons within the club, association or league who hold a WWCC. Netball Victoria has developed a <u>sample register template</u> for use by affiliates or:
- You can use the WWCC Victoria Status Checker. The Status Checker can check and record the status of multiple applications or cards. Download the WWC Status Checker <u>here</u>
- That details regarding the regulation are referenced and detailed in the <u>Netball Australia Child Safeguarding</u>
  <u>Policy</u>

## **About the Working with Children Check**

Visit the <u>Working with Children website</u> for details about the application process. As a Working with Children cardholder, you have certain obligations and responsibilities which can be viewed on the <u>Working With Children</u> <u>website</u>.
