

Standard 5: Equity is upheld, and diverse needs respected in policy and practice

WHAT WILL THE COMMISSION LOOK FOR WHEN ASSESSING THIS STANDARD?

Organisations will generally comply if they produce the following documents and undertake the actions in a way that supports the organisation to achieve this Standard.

Documents

- Materials for children, including information about complaints processes and supports, are accessible, age-appropriate and available in a range of languages and formats as needed. Written documents alone are not relied on, particularly for children who are blind or vision impaired, or children who cannot read.
- The Netball Australia Child Safeguarding Policy describes:
 - the organisation’s commitment to equity and inclusion
 - how the organisation will recognise and respect the diverse needs of all children
 - how the organisation provides avenues for children or their families to identify their individual needs
 - how the organisation will provide children with access to information, support and complaints processes in ways that are culturally safe, accessible and easy to understand
 - how the organisation will support equity and make reasonable changes to support participation by all children and respond to all children’s needs
 - how the organisation upholds equity for all children and prevents child abuse and harm resulting from discrimination based on disability, race, ethnicity, religion, sex, intersex status, gender identity or sexual orientation.

Actions

- The organisation takes steps to understand the diverse circumstances and needs of children who engage, or may engage, with it.
- Staff and volunteers:
 - are provided with information and guidance about children’s diverse circumstances, how to identify factors that can increase a child’s vulnerability to harm, and how to promote equity and safety for all children

- take action to support and respond to children who are experiencing vulnerability, including making inquiries and responding where there are signs of increased vulnerability
- take action to uphold equity for all children, promote children’s safety and prevent child abuse and harm.
- Leaders set clear expectations around achieving equity and respect for diversity.
- The organisation ensures all children are reasonably supported to participate.
