Ladder Adjustments

Ladder adjustments may be needed throughout a competition for various reasons:

- Penalties for breaching by-laws
- Errors
- To equalize the ladder due to an uneven number of byes
- To reset completely after a grading period

How to complete a Ladder Adjustment

- Go to the *Match Day* module
- Select the applicable competition name on the dashboard
- Underneath the Competition Details tab
- Click on Ladder
- Select the applicable Division from the dropdown menu
- Click 'Edit' then, '+Add new Adjustment'

Some organisations fully reset ladders after grading rounds. This action cannot be undone so please use cautiously.

To **RESET** the ladder completely, click on 'Reset Ladder', and select the applicable option for Selected Divisions or to reset all divisions select Full Reset. **PLEASE NOTE: Resetting the ladder will clear the ladders immediately and** <u>cannot</u> be undone.
