

2024 NETBALL VICTORIA ENDORSED UMPIRE TESTER LIST

Purpose: The National Umpire Development Framework (NUDF) developed by Netball Australia sets out the minimum standard required for testers of practical assessments. Through consultation with the netball community and staff, Netball Victoria developed the Endorsed Tester List to complement the NUDF requirements and to set the benchmark in umpiring standards. With proven success since its implementation, and positive community responses, Netball Victoria will continue to utilise the Endorsed Testers List in 2024.

To be part of a testing panel for a practical assessment at a Netball Victoria affiliated association or league, all testers are required to be on the Netball Victoria Endorsed Umpire Tester List. To be eligible to be on the Endorsed Umpire Tester List, testers must meet **all** the criteria from the relevant category below:
