Netball Victoria Talent Scouts view all athletes in the 15&U and 17&U age groups, and eligible 19&U athletes in the Open division. Following State Titles, Talent Scouts provide the names of identified athletes for invitation to Talent Academy and State Team screening days.

Players – Male

Talent identification for male athletes will occur at State Titles. The Victorian Men's and Mixed Netball Association will be offering TID opportunities for all programs including state teams and academies.

Umpires

Netball Victoria has appointed Umpire Coaches to provide feedback to all umpires at the State Titles and identify talented umpires who will then be invited to be part of the 2024 Talent Academy Umpire Program.

Marie Little OAM Shield

The Marie Little OAM Shield is an annual tournament that provides women with an intellectual disability the chance to compete at a national level. Named after disability netball pioneer, Marie Little OAM, the competition sees teams from each state compete.
