

Netball Victoria Netball Connect Affiliate Finder – Woolworths NetSetGO Centres

Netball Victoria now has an Affiliate finder through Netball Connect, which can be found on our website: <https://vic.netball.com.au/netball-finder>

To show your Woolworths NetSetGO Centre (WWNSG) information on the Affiliate Finder for future NSG participants, please follow the steps below. Such as times, dates, venue etc.

The main step is Step 4 in the about section. The About section is where you will need to place more specific details about your NSG program

Step 1. To find where the Affiliate Finder is located on Netball Connect, click on the user module.

Step 2. Once on the user module, hover over Administrators and click onto 'Our Organisation.'

Step 3. General: Please make sure your Organisation Name, Affiliate Address & email is up to date & correct. This is important for where your Organisation will be found on the map!

Step 4. Affiliate Finder: Please see a breakdown below of what you can include in your Affiliate Finder information to inform future NSG participants about your NSG program! If your WWNSG program is at a different location to your affiliate address, please ensure it is listed in the about section below.

About us: Within this section, please add details about your WWNSG program, for example:

Our Woolworths NetSetGO program is open for 5 – 10-year-olds. Our program is an introduction to netball, with a breakdown of tiers across Net & Set. Each child receives a free t-shirt & ball through their Netball Victoria membership.

Our WWNSG program runs on Tuesdays from 4 – 5pm at (insert location)

Training days & Playing dates:

Please place the dates your NSG Trains/Plays. This box will not be mandatory next year, but playing days will need to be filled in now.

Website:

Add your website or Facebook page link here!

Competition Fee Range:

Enter the amount your competition fees range from.

Contact:

Select a contact for your NSG Centre, this will only show contacts that have administrative access to your Netball Connect.

What competitions are supported?

Please select all competitions you run! I.e NetSetGO, Junior Mixed etc.
