About the C Badge Umpiring Accreditation

Congratulations on enrolling into the C Badge Umpiring Accreditation, the first step in the Umpiring pathway.

To be successful in achieving your 'C' badge, you must be able to display a basic grasp of game management skills, umpiring techniques and practical application of the rules to penalise obvious infringements. This is an ENTRY-LEVEL BADGE ONLY and testers should not expect a perfect display. To successfully pass the C Badge Practical Assessment, you must be rated as competent on all aspects of the assessable performance criteria.

Accreditation Outcomes

When you successfully obtain your C Badge accreditation, you will have been able to:

- Basic game management skills to keep game moving and maintain player safety in low to average standard matches
- Basic procedural competence (late arrivals, failure to take the court, stoppages). Basic positioning and vision skills.
- Reactions/timing appropriate for low to average standard matches.
- Usually recognises and penalises obvious infringements, both major and minor.
- Applies "advantage goal" so as not to disadvantage non-offending team.

Netball Australia Accreditations expire 4 years from the date obtained and to maintain the accreditation you must complete the reaccreditation pathway and achieve 20 development points prior to the accreditation expiry date.
