## Tournament Information

### Check In

Teams are required to check-in no later than 30 mins prior to the first match of the day, regardless of when the team's first match is.

### Fixtures

A fixture will be provided no later than two (2) working days from the event. Fixtures will be available through Netball Connect. We encourage all teachers/parents to download the Netball Connect App and search for their teams in 'School Championships'.

### Preliminary Day Format

Teams will play all teams in their division/pool. Matches will consist of two equal halves. No finals will take place.

### Umpires

All schools are required to supply a qualified umpire (min C grade badge). Schools may also pay for an umpire which Netball Victoria will supply (this is done through the team entry registration). A \$250 fine will apply if schools fail to supply an umpire on the day.

Umpire details must be submitted at least 2 weeks prior to competition day.

On arrival, umpires must report to the umpire coordinator.

The umpiring rosters are done by Netball Victoria. Umpires will not necessarily umpire their own school or team's matches and must be available for all rounds. It is suggested that a school supplied umpire is not also a coach or player on the day.

### Set Up

Schools are welcome to bring a portable shade structure to the outdoor venues to allocate a space for their teams to sit when not on court.

Please be advised no schools are permitted to 'set up' in the secondary hall of SNC (courts 3, 4 and 5).

### Divisions and Pools

Teams will compete in divisions determined by the year level of players. All divisions are offered for boys and girls during preliminary days.

Primary – Years 5 and 6

Junior – Years 7 and 8

Intermediate – Years 9 and 10

Senior – Years 11 and 12

Where there are a large number of teams in a division for a particular date, teams will be randomly divided into pools.

### Primary Division

As per the Netball Victoria Gender Regulations primary teams may include males and females with no restriction. The Regulation states that there can be no restrictions on gender for a competition of 13yrs & younger age groups. This means there are no restrictions (or capping) on the number of males on a team or playing on the court.

## Scoring

Each team must supply one scorer. Scorers will sit/stand together for the duration of the match. The winning team is required to return the scoresheet to the competition office. The final score on the scoresheet provided by Netball Victoria will be the official score for the match.

## Finals Day Qualification

The top team (1st placed on ladder) of each division/pool will progress through to Finals Day. Where the first two teams finish on the same points, both teams will be invited to Finals Day.

Wild cards may be granted to teams pending numbers.

Only players who have played for the qualifying team on the preliminary day will be eligible to compete at Finals Day.

## Finals Information

All finals will be held at the State Netball Centre, Parkville.

Finals Days will cost \$110 per team to cover Umpires – which Netball Victoria will supply.

## Finals Day Format

Teams will play all teams in their division/pool. Matches will consist of two equal halves. At the end of the rounds, the top four (4) teams of a division will play in a finals series. In the instance there are pools in a division, the finals format will be communicated.
