

2025 NETBALL COACHES

Caulfield Bears Football Netball Club are on the hunt for 2025 netball coaches.

After fielding 8 successful teams in the 2024 season, our search begins for coaches to continue to lead our club to another prosperous season in 2025.

We are a progressive and welcoming club, with a great culture, seeking personnel focused on success and team development.

Candidates must have a good understanding of the modern game of netball with an ability and desire to improve and strengthen our playing list as individuals, as teams and as a club. *Playing* and *non-playing* coaches will be considered, and must reflect club values of being committed, inclusive and resilient.

Applications in writing and to include details of playing and/or coaching experience, accreditation, references and expected remuneration.

Trainings run every Thursday night throughout pre season, commencing in December, with the continuation of Thursday night trainings once the season is underway.

Games are played every Saturday at Dingley Netball Complex, once the season commences early April.
