

Head Netball Coach

East Malvern Football Netball Club

East Malvern Football Netball Club is a proud, community-based club with a strong history and a clear focus on growth in women's sport. We are seeking an experienced and connected **Head Netball Coach** to lead and develop our netball program as we continue to build participation, performance and pathway opportunities.

About the Role

The Head Netball Coach will provide leadership across the club's netball program, fostering a positive, inclusive and high-performing environment for players, coaches and volunteers. This role is ideal for a coach who is passionate about community netball and eager to help shape a growing program.

Key Responsibilities

- Lead coaching and development of the senior netball program
- Build strong connections across local netball networks and competitions
- Support and mentor assistant and junior coaches
- Promote a positive, inclusive and community-focused culture
- Work collaboratively with the club committee and football program
- Contribute to the growth of participation and performance pathways

About You

- Development or Foundation netball coach accreditation or equivalent experience
- Connections within the netball community preferred
- Passion for developing players in a community club environment

What We Offer

- **Remuneration available**, commensurate with experience
- Supportive, volunteer-driven committee and coaching environment
- Opportunity to shape and grow a netball program with momentum
- Strong community engagement and club culture

About Our Club

East Malvern Football Netball Club is built on community, connection and opportunity. We are committed to growing our netball program alongside football, providing a welcoming environment for players, families and supporters, and creating clear pathways for development and success.
