

**NETBALL VICTORIA
FACILITY PRIORITY
PROJECTS LIST
2026**

INTRODUCTION

Netball Victoria's 2026–2028 Statewide Facilities Strategy, released in November 2025, provides a strategic framework to guide the planning, development and investment in netball infrastructure across Victoria. With netball activity increasing by 28 per cent since 2022, demand for quality, accessible and sustainable facilities continues to grow across metropolitan, regional and rural communities.

The Facility Priority Projects List has been developed to identify locations and projects that represent the most significant infrastructure needs across the state. It provides a structured and evidence-based approach to prioritising investment, ensuring that limited resources are directed towards projects that will deliver the greatest benefit to the Victorian netball community.

The criteria used to establish the list included:

- Priority development opportunities highlighted in the Statewide Facilities Strategy
- Priority projects listed in the AFL Gippsland and AFL Southeast Facilities Strategies
- Projects highlighted by Councils as being “shovel-ready” for development
- Venues rated as “Poor” or “Very Poor” in Netball Victoria Sports Facility Auditing system
- Venues where there is only one competition court, requiring a second court to meet competition standards
- Projects highlighted by Councils in their advocacy strategies
- Projects which were unsuccessful in LSIF and CFNP funding rounds

Priority areas have been informed by participation data, facility provision analysis, stakeholder consultation and projected population growth. Key considerations include addressing facility shortages in high-growth areas, upgrading ageing or non-compliant infrastructure, improving accessibility and inclusion, and supporting the development of sustainable and fit-for-purpose facilities.

This prioritisation framework will support collaboration between Netball Victoria, local governments, state government agencies and the broader netball community to guide planning, advocacy and funding decisions.

By clearly identifying areas of greatest need, the Facilities Priority Projects List aims to support the delivery of infrastructure that enables participation growth and ensures netball remains accessible and sustainable across Victoria.

KEY TO PROJECTS ON DOCUMENT

EXAMPLE:

METRO

BULLEEN

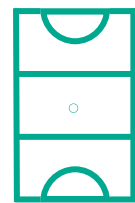

MANNINGHAM TEMPLESTOWE LEISURE CENTRE

SCOPE: Realignment of 8 outdoor courts to meet compliance, as well as shelter upgrades and improved internal pathways

ESTIMATED COST: \$7+ million

AFFILIATE: Manningham Netball Association

CRANBOURNE

CASEY FIELDS

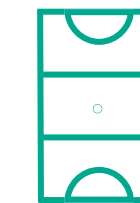

SCOPE: Development of a regional netball centre to include 4-8 indoor courts, and 8-12 outdoor courts as outlined in the Casey Fields Masterplan and Netball Victoria's Statewide Facilities Strategy

ESTIMATED COST: \$16-\$32 million (indoor) + \$3.2-\$4.8 million (outdoor)

AFFILIATE: Casey Netball Association

DANDENONG

GLORIA PYKE

SCOPE: Upgrade the current 12 non-compliant asphalt netball courts to 9 compliant courts, including shelters, lighting and fencing

ESTIMATED COST: \$1.2 million

AFFILIATE: Dandenong & District Netball Association

FRANKSTON

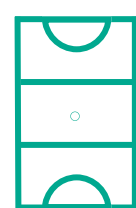

BALLAM PARK

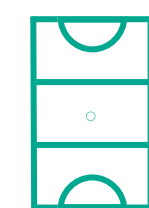

SCOPE: Addition of a second outdoor Netball court with lighting and fencing. Minimum 2 courts required for competition level

ESTIMATED COST: \$400,000

AFFILIATE: Karingal Football Netball Club

ERIC BELL RESERVE

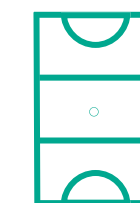

SCOPE: Addition of a second outdoor Netball court with lighting and fencing, and players shelters for the existing court. Minimum 2 courts required for competition level. Priority project identified in AFL SE Facilities Strategy

ESTIMATED COST: \$420,000

AFFILIATE: Pines Football Netball Club

GREG BECK OVAL (BAXTER PARK)

SCOPE: Addition of a second outdoor Netball court with lighting and fencing, and players shelters for the existing court. Minimum 2 courts required for competition level. Priority project identified in AFL SE Facilities Strategy

ESTIMATED COST: \$420,000

AFFILIATE: Frankston Bombers Football Netball Club

ESSENDON

MOONEE VALLEY INDOOR STADIUM

MOONEE VALLEY

SCOPE: Development of a new stadium, including 6 new indoor courts to meet Netball Victoria standards

ESTIMATED COST: \$35-\$40 million

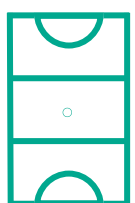

AFFILIATE: NEW

KOROROIT

FRONTIER RECREATION RESERVE

MELTON

SCOPE: Surface upgrade of the 2 acrylic outdoor courts which are in poor condition, and upgrade of lighting from Halogen to LED

ESTIMATED COST: \$140,000

AFFILIATE: Aintree Giants Football Netball Club
